

**Media Conference tonight at 630 pm Nadi Sports and social club**

**Refreshments will be provided to Media staff at this meeting**

**Bowling Carnival heats up in the west thanks to our major sponsors this year**

Bowling action in Nadi

**Bowling is regarded as a minor sport in the country...however over the years the sport has fought above its weight gaining international recognition.**

In the western division, bowls is usually not in the limelight. This week though they get that chance with the opening of the Sunny West Bowling Carnival at the Nadi Sports Club.

The tournament has grown in the last six years, attracting not only some of the best local bowlers but also a good number of international bowlers.
