BULA, NAMASTE GOOD DAY AND A MERRY CHRISTMAS AND HAPPY NEW YEAR

The Club management and Committee would like to wish you all a very Merry Christmas and a prosperous New Year.

For the latest news and 2012 membership renewal forms please check our website www.nadisportscub.com

Social

This year the club has done better than the last couple of years in the number of social Christmas parties that it has hosted. The first of the season was Raymond's Capras Hircus (Goat) night. Nadans (the Club kitchen) did the catering and did an excellent job and a good evening was had by all. The following Saturday it was the Pilots Christmas party and again a good night. The bar was pleased to sell 32 shots of tequila in one round! There have been a number of other smaller functions in the pool bure plus an engineer's function still to go. To those that have used the club as their venue Vinaka.

The weekly club draw now presently stands at \$320. Recent absent winners have been Bobby then in two out of three weeks we had the same winning number 279 (Lucy) followed by Pitila (both absent).

Bowling

Shorab has returned from an overseas bowling trip to Indonesia where he represented Fiji and says he gained a lot of experience and exposure. The club Bowls champ for the honors' board was won by Santok Singh (well done).

Due to wet weather the green has not been getting as much use as we would like and is scheduled to be closed in January for routine maintenance (please check the notice board or with Shorab for exact dates).

Billiards / Snooker

The new table continues to get a lot of use. There is still some work to do on the table lighting plus the upgrading of the old table to match the standard of the new table. For more information on please contact Rimal Narayan mbl 9922063

Swimming

Both the NSC Swim Clubs (Makos & Barracudas) are on a Christmas break although Maftoa is still training some of his top swimmers to keep them in shape through this period of heavy eating. Both clubs were well represented in the Fiji Swimming Awards dinner held in Suva at the beginning of December. Congratulations to all swimmers who were awarded trophies.

Gym

By now we would hope that most of you have been in to check out our revamped gym. Nisha our Gym attendant is doing a very good job of keeping it maintained and giving some of our members a good work out. We have decided at present due to the

Please give them your full support. They promise to add to the menu in due course. Satya has said he welcomes and would like feedback from the members on what to provide. Please remember you can bring guests to the club to use the kitchen and bar without paying the visitors fee (just sign them in). BORING BUT IMPORTANT STUFF

At the council meeting on 14th December the council set the Club fees for 2012 plus made some alterations to the Club By Laws. The club fees have increased. The biggest increase has been in the daily visitors fee with a higher percentage increase to reflect the need to deter the over use of the pool and other facilities by visitors / guests although as the books show it is a source of revenue we do not want to lose totally. The increase in member's fee is justified by the lack of a real increase in fees since 2007 and the significant increase in all aspects of our operating costs.

A study of the membership fees for the club over the last ten years show that our membership fees have not kept up with inflation and there was some valid argument that a higher increase was justified.

The main changes to the By Laws are

- 1) Clause 1 Revised opening / closing hours for the bar to more accurately reflect present usage.
- 2) Insertion of the fact that the club will be closed on Christmas Day as is present practice.
- 3) The fact that the gym is now only for the use of Club members and is not for use by daily visitors. Children under eighteen must be accompanied by an adult when in the gym, if they are not then for a \$5 fee to the club Nisha the gym attendant may look after them.
- 4) Clause 9b reworded from Daily visitors should be signed in by a full member. To: Daily visitors **must** be signed in by full member.

STAFF

Salome lost her husband and we all expressed our condolences to her. She has been on bereavement leave and we are now very pleased to have her back. The new Guard Force security officer that is on duty has made a difference to the adherence to our sign in policy and collection of daily visitor fees and we also hope to club security. Nisha - Gym attendant has joined us to look after our new gym equipment and also help our members utilize it to the fullest.

Amira furniture should shortly be delivering the new furniture for the bar (samples presently at the club). We hope to hold a Trustees / Presidents night in the New Year to show case the kitchen, Gym and new look bar furniture.

If you have any queries or ideas for the better running of the club please do not hesitate to contact Permal, Sanjeshni or any of the council members.

Please ensure you always carry your Valid Nadi Sports Club membership card with you.

THE NSC COMMITTEE AND STAFF
LOOK FORWARD TO SEEING YOU AT THE CLUB

We welcome all views and suggestions to try and be the best when it comes to service and facilities.
